

REMARKS

1. The original application is an English Language translation of German patent application No. DE 102 31 653.8, filed July 12, 2002. Applicants submit herewith as Attachment 1 a substitute specification under 37 CFR §1.121(b)(3) correcting grammatically, typographical and other minor errors. Enclosed as Attachment 2 is a marked up version of the specification of record showing all changes made to the specification. These changes to the Specification are believed not to introduce new matter. Accordingly, the substitute specification is compliant with 37 CFR §1.125(b).
2. In view of the foregoing Amendments, this application should now be in condition for allowance. A notice to this effect is respectfully requested.

Dated: July 14, 2003
